1.0 Welcome to the 2021-22 Season

Our hockey season is coming soon and we can't wait to welcome all SDGHA players back to the arenas! This information is specific to SLW players and House League information is being prepared and will be published shortly.

We expect the 2021-2022 season to resemble a more typical hockey season based on information provided by the Ontario Women's Hockey Association (OWHA), Hockey Canada, the Province of Ontario and the City of Greater Sudbury. While we anticipate things "returning to normal" in many ways in comparison to last season, patience and flexibility are still going to be very important as new restrictions or protocols could be imposed, and things may change from time to time.

The following information should be reviewed in detail for our 2021-22 Sudbury Lady Wolves Tryouts.

2.0 Step by Step Guide on How to Register for Tryouts

See SDGHA Homepage and click on the link

3.0 Tryout Registration Deadlines & Important Information

3.1 Advanced registration is required for tryouts this year.

3.2 Players not registered by the following deadlines will NOT BE PERMITTED TO PARTICIPATE.

U9 Development 2013 / 2014	Thursday, Sept 8 @ 11:59 pm
U9 Tryouts - 2013 / 2014	TBD

3.3 If released from a tryout, you must log back into RAMP and register for the next tryout. There are no further fees to attend additional team tryouts.

3.4 Tryout participants do not need to start at the AA level for each age group - participants should consider the team/level that is appropriate for them to begin tryouts based on their individual skill level. However, tryout participants for each team/level must attend the first session for that team. All tryouts after the first session for each team are by invitation only. Participants may not join tryouts for a team after the first session unless granted permission in advance by the Lady Wolves Program Director. In anticipation of participant limits which could still be in place in September, most of our tryouts will be divided into multiple sessions. (i.e. tryout #1A, 1B) Players will be informed of the session they are to attend 24 hours in advance - players must attend only the session they are assigned to and will not be permitted to skate at any other session.

3.5. U9 and U11 tryouts participants must register and attend the 4 development sessions (see below under U9 and U11 Tryout Schedule) prior to tryouts in order to be eligible.

10.0 Tryout Eligibility

- All players who are selected to play on one of our 2021-22 Sudbury Lady Wolves Teams must register for and participate in the tryout process.
- In accordance with Hockey Canada's U9 and U11 Development Pathways, players in these levels will participate in 4 development sessions before the start of Sudbury Lady Wolves tryouts. These sessions will be for all players - both Sudbury Lady Wolves and House League. Players must participate in all 4 sessions to be eligible for Sudbury Lady Wolves tryouts.
- Tryout registration is open to ALL players, regardless of the association they were registered with or the level they played in the 2020-2021 season - however any player who was member of another OWHHA association or team in 2020-21 (or before) will require a valid **Permission to Skate form** issued by their last association.
- Players who have previously played with an Ontario Minor Hockey Association team are eligible to try out for registration, with no further action required, so long as they have never been registered with an OWHHA association - otherwise a **Permission to Skate form** is required.
- Hockey Canada has directed for the 2021-22 season that no player will be permitted to simultaneously be a member of two hockey branches - therefore players who register with an OWHHA organization will not be permitted to register or play with an NOHA team, and vice versa. Any player who registers with an NOHA will become ineligible for membership with the SDGHA, or any OWHHA association.

11.0 Player Health & Safety Measures

The SDGHA's 2021-22 season will fully comply with all restrictions and regulations provided by the Ontario Government, the Sudbury & Districts Public Health Unit, the City of Greater Sudbury, the Ontario Women's Hockey Association, and Hockey Canada. Health and safety measures may be instituted to ensure the health and safety of players, parents, coaches, officials and other volunteers. These could include:

- Health screenings, and/or the collection of participant health information
- Procedures to follow for individuals who are ill and/or test positive for Covid-19
- Restrictions on certain activities, or modified game rules
- Limitations on group sizes
- Specific directions on facility use, including facility entry protocols, dressing room usage, etc.
- Modified games rules (as defined by the OWHA) will be used to limit/reduce physical contact

Specifics on the measures and procedures in place will be provided before the start of the season and updated throughout as circumstances change. By registering, participants will acknowledge that some circumstances may change, and they will agree to always follow all protocols and directions.
